

Hello Everyone,

I know this is a challenging time for everyone, so I wanted to reach out to you all again and introduce myself to those new student/athletes that are wishing to join the program this year. Clearly, this year will look very different than any of us have ever experienced or expected, but I do know that this is a team of resilient, hard working kids and no matter what the situation is we will get through it together.

I do not know what the season will look like, I do not know if we even will have a season this year, but I do know that we are still a team and I am here to support each of you in any way that I can. When we do have the opportunity to train and compete, there will be procedures in place to mitigate the spread of infections, including but not limited to wearing masks on deck, maintaining social distancing, etc. I will do the best I can to communicate with you any and all information that I have, especially as we get closer to the respective seasons. We also need your help, if we are going to get the opportunity to be a team and compete this year, it will be dependent upon the community to continue mitigation procedures such as wearing a mask, maintaining social distancing, avoiding large gatherings, keeping your 'bubble' small.

I also want to make sure that you all know that I am here to help you in any way that I can, so let me or any of the coaching staff know if there is anything you are struggling with. The Captains for the teams are also here to help, feel free to reach out to one of them as well.

Boys Team Captains

Nathan Snyder
Owen Krussow

Girls Team Captains

Ella Buss
Olivia Riley
Annika Lowland

It's going to be an interesting year, and no matter what happens, we will get through it together.
Go Raiders!
